DETAILED ACTION

1. This action is in response to the Request for Continued Examination filed on 12/28/2007.

2. Claims 1-4 and 6-20 are currently pending.

3. This application is in condition for allowance except for the following formal matters:

-Claim 3 should recite "the picked-up images registered as picture memorandum in said memory means in response" in the third and fourth lines of the claim in order to clarify which images are actually read out.

-Claim 4 should recite "other images subsequently registered in said memory means in association with said icon, to individually display" in the third and fourth lines of the claim in order to clarify which images are actually read out.

-Claim 6 should recite "said memory means has a fixed capacity" in the second line of the claim in order to properly refer to the memory means as recited in claim 1.

-Claim 7 should recite "said memory means reaches a maximum registration amount of said memory means" in the fourth and fifth lines of the claim in order to properly refer to the memory means as recited in claim 1.

-Claim 8 should recite "a cellular telephone set having integrated within a common housing, a radio portion, a non-film camera and a display portion ~~integrated~~

~~within a common housing, comprising:"~~ to further clarify that all of the components listed are **all** integrated within the common housing.

-Claim 10 should recite "one of said images registered in said memory in association with said icon, in response to selecting" in the third and fourth lines of the claim.

-Claim 11 should recite "other images subsequently registered in said memory in association with said icon, are sequentially read out" in the third and fourth lines of the claim.

-Claim 14 should recite "a cellular telephone set having integrated within a common housing, a radio portion, a non-film camera and a display portion ~~integrated within a common housing, comprising:"~~ to further clarify that all of the components listed are **all** integrated within the common housing.

Claim 14 should further recite "the picture memorandum mode, automatically generating an icon" in the second line of the claim on page 8.

-Claim 16 should recite "one of said images registered in said memory in association with said icon, without resizing" in the third and fourth lines of the claim.

-Claim 17 should recite "other images subsequently registered in said memory in association with said icon, are sequentially read out" in the third and fourth lines of the claim.

-Claims 9, 12, 13, 15, and 18 are objected to for being dependent upon a previously objected to claim.

4. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

5. Claims 1-4 and 6-20 are allowed pending the formalities as described above.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).
